Prize Value in The Game

The total value of prizes in the initial print run of Tickets for the Game represents 58.46% of the total face value of Tickets. The overall value of prizes in the initial print run of tickets for the Game is £13,225,396.

The number of prizes in the initial print run of Tickets for the Game relates to the number of Tickets recorded on the Company's central computer and formally notified to the National Lottery Commission prior to the sale of any Tickets. The details in these Procedures will not be revised to take into account subsequent sale or loss of Tickets, subsequent withdrawal of Tickets where those Tickets are withdrawn by the Company without knowledge of whether they are prize bearing Tickets, or additional print run(s) of Tickets for the Game. The Company may print further Tickets for this Game. In the event that any further print run of Tickets for this Game is made, then, in respect of the Tickets comprising that further print run, the overall odds of winning a prize at each prize tier level will be, allowing for the tolerance levels as specified in the table above, the same as in the initial print run of Tickets for the Game.

In the event of any discrepancy or inconsistency between these Procedures and any other information issued by the Company in respect of this Game, these Procedures will prevail.
