As Prizes are won, the number of Prizes available in each category will reduce. Once the last top Prize has been validated, Retailers will be allowed to continue selling those Scratchcards that have already been activated for sale and any unactivated Scratchcard stock will be withdrawn. To find out up-to-date Prize information visit national-lottery.co.uk or call the National Lottery Line on **0333 234 5050**. Calls cost no more than calls to 01 and 02 numbers. If your phone tariff offers inclusive calls to landlines, calls to 03 numbers will be included on the same basis.

Prize Value in The Game

The total value of Prizes in the print run of Scratchcards for the Game represents 66.52% of the total face value of Scratchcards. The overall value of Prizes in the initial print run of Scratchcards for the Game is £42,075,649.00.

The number of Prizes in the initial print run of Scratchcards for the Game relates to the number of Scratchcards recorded on Camelot's Computer System and formally notified to the Gambling Commission before any Scratchcards are sold. The details in these Procedures will not be revised to take into account any future sale or loss of Scratchcards, or future withdrawal of Scratchcards (where those Scratchcards are withdrawn by Camelot without knowledge of whether they are Prize bearing Scratchcards).

General

In the event of any conflict between these Procedures and any other information issued by Camelot in relation to this Game, these Procedures will take priority (except if any Game Specific Rules apply to this Game in which case they will take priority over these Procedures).

GAME SPECIFIC RULES FOR £25,000 A MONTH FOR A YEAR PRIZES

When You play The National Lottery Scratchcard Game "£25,000 A Month For A Year" (Game No. 1274) (the "Game"), these Game Specific Rules (the "Rules"), the Game Procedures (the "Procedures") and the National Lottery Rules for Scratchcard Games ("the Scratchcard Rules") apply. These Rules deal with the payment and award of the Prizes defined in these Rules. For information about the Game (including how to play and win) see the Procedures.

If there is any conflict between the documents mentioned above, these Rules and the Procedures will take priority, followed by the Scratchcard Rules (unless the Scratchcard Rules say otherwise).

You can view the Scratchcard Rules and Procedures, together with any Game Specific Rules, on the National Lottery website at national-lottery.co.uk/scratchcards. The Scratchcard Rules are also available to view at Retailers. You can get copies of these documents by calling the National Lottery Line on 0333 234 50 50 (see the Telephone Enquiries section for call charges), or by writing to The National Lottery, PO Box 251, Watford, WD18 9BR.

All words and phrases in these Rules that begin with a capital letter and have a specific meaning are explained in Rule 5 or in the Scratchcard Rules (unless the context clearly indicates otherwise).

1. Claiming Prizes

- 1.1 Prizes must be claimed in person before the end of the Claim Period (as set out in the Scratchcard Rules). You must phone the National Lottery Line during its normal opening hours* and during the Claim Period to arrange an appointment with a Camelot representative(s). Your entitlement to a Prize will be lost (and the Prize won't be paid) if a Prize is not claimed within the Claim Period. Prizes will be paid at Your home or other agreed location, or at a Regional Centre.

*At the time of writing these Rules, the National Lottery Line's opening hours are 9am – 8pm Monday to Saturday and 9am – 5pm Sunday. Reduced opening hours may apply over the Christmas and New Year period. See the National Lottery website for current opening hours.

- 1.2 During Your call with the National Lottery Line, You will be asked for certain information, including Your name, address, telephone number(s) and date of birth ("Personal Information").
- 1.3 During Your appointment with the Camelot representative(s), You will be asked to complete a Prize Claim Form (provided by Camelot), or any other form Camelot requires You to complete, and present it along with the winning Scratchcard, proof of entitlement to claim and confirmation of the Personal Information given under Rule 1.2.

2. Payment of Prizes

- 2.1 Once Your claim has been successfully validated in line with the requirements of the Scratchcard Rules, the Procedures and these Rules, the First Prize Payment will be paid to You, unless Rule 2.5 or Rule 3 below applies. Camelot will decide how to make the First Prize Payment, which may be by cheque or bank transfer. Camelot's decision about whether the claim is valid will be final and binding.
- 2.2 The remainder of the Prize (being eleven Prize Payments) will be paid by monthly standing order to a UK or Isle of Man bank or building society account. You must give Camelot Your relevant account details and promptly notify Camelot in writing of any changes to Your account details.
- 2.3 If Your name, address or bank details change, You will need to provide Camelot with evidence of these changes.
- 2.4 Camelot will not be liable if You suffer any kind of loss as a result of failing to inform, or delaying in informing, Camelot of any changes mentioned above. Camelot will also not be liable for any Prize Payments being lost or delayed in the post or banking system. It is Your responsibility to promptly tell Camelot in writing if You don't receive a Prize Payment.
- 2.5 It is possible that a third party will come forward to Camelot during the Prize Claim Period or the Prize Payment Period, claiming that they are the legal representative of the deceased Player and are therefore entitled to receive the Prize Payment instead of or for the deceased Player (for example as the executor of a deceased Player's estate). In such cases, Camelot will suspend further Prize Payments until it can establish who is properly entitled to receive the Prize Payments. Prize Payments for the remaining Prize Payment Period will then be made to the relevant person.
- 2.6 Camelot will not be liable to pay interest to You, or any third party mentioned in Rule 2.5 above, if any Prize Payments are suspended.

3. Non-residents of the United Kingdom and Isle of Man

If You are not resident in the United Kingdom or the Isle of Man when claiming the Prize, Camelot will pay You a one-off lump sum payment of £300,000 less the First Prize Payment paid under Rule 2.1 above if this has already been paid by Camelot. Camelot's decision is final and binding in any dispute relating to whether or not You are a resident of the United Kingdom or the Isle of Man.
