As Prizes are won, the number of Prizes available in each category will reduce. The Game can remain on sale after the last top Prize has been claimed. To find out up-to-date Prize information visit national-lottery.co.uk or call the National Lottery Line on **0333 234 5050**. Calls cost no more than calls to 01 and 02 numbers. If your phone tariff offers inclusive calls to landlines, calls to 03 numbers will be included on the same basis.

Prize Value in The Game

The total value of Prizes in the initial print run of Scratchcards for the Game represents 61.57% of the total face value of Scratchcards. The overall value of Prizes in the initial print run of Scratchcards for the Game is £16,505,172.

The number of Prizes in the initial print run of Scratchcards for the Game relates to the number of Scratchcards recorded on Camelot's Computer System and formally notified to the Gambling Commission before any Scratchcards are sold. The details in these Procedures will not be revised to take into account any future sale or loss of Scratchcards, future withdrawal of Scratchcards (where those Scratchcards are withdrawn by Camelot without knowledge of whether they are Prize bearing Scratchcards), or additional print run(s) of Scratchcards for the Game. Providing a top prize remains available, Camelot may print further Scratchcards for this Game. If a further print run of Scratchcards for this Game is made, then, for the Scratchcards produced in that further print run, the overall odds of winning a Prize at each Prize tier level will be, allowing for the tolerance levels as specified in the table above, the same as in the initial print run of Scratchcards for the Game.

General

In the event of any conflict between the Rules, these Procedures and any other information issued by Camelot in relation to this Game, the Rules will take priority followed by the Procedures and then any other information issued by Camelot.
