

# Gem Smash Game Procedures

## Introduction

These are the Game Procedures for GEM SMASH (the "Game"). When the Game is played, the Rules for Scratchcard Games (the "Rules") and these Procedures apply. The Rules can be viewed at Retailers and on the National Lottery website at [national-lottery.co.uk](http://national-lottery.co.uk).

Any word or term in these Procedures that has a specific meaning will have the meaning given to it in these Procedures or the Rules (unless the context clearly indicates otherwise).

## How to play and win

The Play Area contains a grid with nine gem motifs (the colours and shapes of which will vary) (the "Grid"). Along the top and the right hand side of the Grid and in each top corner of the Grid are eight arrows each of which display a different monetary amount (a "Prize").

To play the Game, scratch off all of the coating on the Grid to reveal nine Play Symbols with their matching Play Captions. You will, providing the requirements of the Rules and these Procedures are met, win a Prize if You reveal three identical Play Symbols with their matching Play Captions which complete a horizontal, vertical or diagonal line in the Grid. The Prize will be equal to the Prize amount shown in the corresponding arrow on the top of a completed vertical or diagonal line in the Grid or to the right of a completed horizontal line in the Grid.

Providing a top prize remains available, Camelot may print further Scratchcards for this Game. If a further print run of Scratchcards for this Game is made, then, for the Scratchcards produced in that further print run, the overall odds of winning a Prize at each Prize tier level will be, allowing for the tolerance levels as specified in the table above, the same as in the initial print run of Scratchcards for the Game.

In the event of any conflict between the Rules, these Procedures and any other information issued by Camelot in relation to this Game, the Rules will take priority followed by the Procedures and then any other information issued by Camelot.
